

complete a Form EN-20 providing payment information. Such form shall be signed and returned to OWCP within sixty days of the date of the form or within such greater period as may be allowed by OWCP. Failure to sign and return the form within the required time may be deemed to be a rejection of the payment. If the claimant dies before the payment is received, the person who receives the payment shall return it to OWCP for redetermination of the correct disbursement of the payment. No payment shall be made until OWCP has made a determination concerning the survivors related to a respective claim for benefits.

(d) The total amount of compensation (other than medical benefits) under Part E that can be paid to all claimants as a result of the exposure of a covered Part E employee shall not be more than \$250,000 in any circumstances.

§ 30.506 To whom and in what manner will OWCP pay compensation?

(a) Except with respect to claims under Part B of the Act for beryllium sensitivity, payment shall be made to the covered Part B employee or the covered Part E employee, to the duly appointed guardian or conservator of that individual, or to the person with power of attorney for that individual, unless the covered Part B employee or covered Part E employee is deceased at the time of the payment. In all cases involving a deceased covered Part B employee or deceased covered Part E employee, payment shall be made to the eligible surviving beneficiary or beneficiaries, to the duly appointed guardian or conservator of the eligible surviving beneficiary or beneficiaries, or to every person with power of attorney for an eligible surviving beneficiary, in accordance with the terms and conditions specified in sections 7384s(e), 7384u(e), and 7385s-3(c) and (d) of EEOICPA.

(b) Under Part B of the Act, compensation for any consequential injury, illness, impairment or disease is limited to payment of medical benefits for that injury, illness, impairment or disease. Under Part E of the Act, compensation for any consequential injury, illness, impairment or disease consists

of medical benefits for that injury, illness, impairment or disease, as well as any additional monetary benefits that are consistent with the terms of § 30.505(d).

(c) Rejected compensation payments, or shares of compensation payments, shall not be distributed to other eligible surviving beneficiaries, but shall be returned to the Fund.

(d) No covered Part B employee may receive more than one lump-sum payment under Part B of EEOICPA for any occupational illnesses he or she contracted. However, any individual, including a covered Part B employee who has received a lump-sum payment for his or her own occupational illness or illnesses, may receive one lump-sum payment for each deceased covered Part B employee for whom he or she qualifies as an eligible surviving beneficiary under Part B of the Act.

§ 30.507 What compensation will be provided to covered Part B employees who only establish beryllium sensitivity under Part B of EEOICPA?

The establishment of beryllium sensitivity does not entitle a covered Part B employee, or the eligible surviving beneficiary or beneficiaries of a deceased covered Part B employee, to any lump-sum payment provided for under Part B. Instead, a covered Part B employee whose sole accepted occupational illness is beryllium sensitivity shall receive beryllium sensitivity monitoring, as well as medical benefits for the treatment of this occupational illness in accordance with § 30.400 of these regulations.

§ 30.508 What is beryllium sensitivity monitoring?

Beryllium sensitivity monitoring shall consist of medical examinations to confirm and monitor the extent and nature of a covered Part B employee's beryllium sensitivity. Monitoring shall also include regular medical examinations, with diagnostic testing, to determine if the covered Part B employee has established chronic beryllium disease.
